

Phoenix 1250 Series Security Fire Safe

A modern, compact, high security, fire resistant safe designed to meet the need for residential and business use.

- 60 minutes fire protection at temperatures of 927c for paper documents to International Standards UL 72 Class 350 – 1hr and GB1970.
- The extremely attractive white colour finish compliments your business and disguises a spacious interior.
- This safe is recommended for a maximum cash risk of £2000 or £20,000 valuables*.
- Fitted with a high security digital lock programmable with users own code of up to 8 digits, colour coded LCD display confirms status of battery and input codes.
- To warn of attack or unauthorised entry the integral security alarm activates and emits a high volume siren to deter possible criminal action.

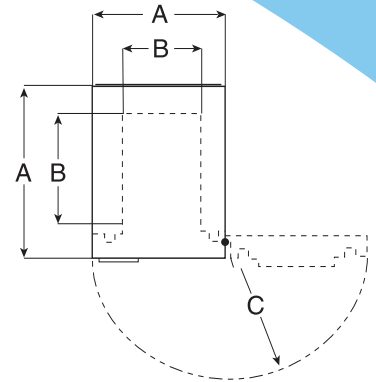

Phoenix 1250 Series Security Fire Safe

The 1250 Series body is constructed from galvanised steel plate with a virtually airtight recessed curvature door, which prevents fire and smoke damage to the contents. The door is secured using a high security electronic lock with programmable user and manager codes up to 8 digits in length.

The Phoenix 1250 series is ready prepared for basefixing to the floor with twin anchorage points and a full range of bolts and screws to suit any type of concrete, wooden or composite floor. The added security offered by this method will deter even the most experienced criminal.

60 minutes fire protection at temperatures of 927c for paper documents to International Standards UL 72 Class 350 – 1hr and GB1970. The safe is also drop tested from 10 metres to simulate falling through the floors of a burning building or being buried under a collapsing building.

● **Dimensions stated as:**

- A External height x width x depth
- B Internal height x width x depth
- C Door swing
- D Weight
- E Capacity

● **Titan 1251**

- A 300mm x 420mm x 360mm
- B 180mm x 300mm x 225mm
- C 375mm/45mm
- D 28 kg
- E 12 litres

● **Titan 1252**

- A 487mm x 345mm x 400mm
- B 358mm x 215mm x 265mm
- C 315mm/45mm
- D 42 kg
- E 20 litres

● **Titan 1253**

- A 530mm x 460mm x 480mm
