

directiv

Imagination, not invention, is the
supreme master of art as of life.

The latest Directiv range has been developed to suit customers evolving needs perfectly. Features include elegant 'wave' design desks and screens, sturdy 25mm thick desktops with robust 3mm edging and sliding access to, IT and power links.

This ultra-flexible formula makes Directiv an inspired choice for today's office environment.

wave

Directiv's curved-front 'Wave' desks blend beautifully with the flowing lines of complementary desktop screens.

Left and right-hand desking options create a welcome variety of possible arrangements. Versatile screen combinations allow staff to work independently even when grouped.

construction

Steelwork

All legs manufactured in 40mm x 25mm x 1.2mm boxed section steel, (18 gauge steel). Legs are powder coated and finished in graphite grey ral (7012).

Desktops

DIRECTIV desks are supplied with top and back panels. All tops are manufactured from 25mm board and the back panels from 18mm board. All MFC (Melamine Faced Chipboard) used, meets BS 476 PT7 class 1 surface spread of flame, as well as E1 European Formaldehyde Emission. Edging used is ABS woodgrain with a thickness of 3mm on 25mm tops. Desks are tested to BS5495 (1977) Part 1 - Strength & Stability of office furniture.

Cable Management

Cable management can be found in all desks in the form of 2 x Radial (65mm) portholes, with the exception of 800mm desk (2508) which has one porthole. Simple yet effective cable management system with full sliding top, giving access to three way segregated horizontal cable beam and vertical leg risers, designed to comply to BS6396. Easily removed worktops are designed to provide full access for major IT installations.

Pedestals

Deluxe pedestals are fitted with metal drawer sides and back with a solid 15mm drawer base. Drawers are tested to BS 4875 part 7, level 4 and have successfully completed 100,000 openings at 34 kilos. All pedestals have adjustable drawer fronts for perfect drawer alignment. All pedestals are fully locking.

Deskings Screens

All screens come complete with fixing brackets, colours are optional. Please refer to Dams Fabric Swatch.
